*It was a new way
to learn ICT skills.
The most exciting
thing was when
I read out the
news and
weather, it was
a fantastic day!*

Harry aged 12

Russell Prue is an award winning ICT Evangelist, Author and Broadcaster. His presentations, demonstrations, training courses and broadcasts are always fun and entertaining. He enjoys an excellent reputation as one of the leading speakers on ICT in the UK and is well reported in the national press.

Russell has spent the last 25 years Evangelising and promoting the use of technology to educators, SLT, parents and governors.

If you are looking to inspire your learners or colleagues then a Live Radio Workshop will really engage and motivate them. These are essential C21st skills.

'Russell was lively, enthusiastic and knowledgeable ... Excellent motivational speaker ... Brilliant contribution from Russell ... Very entertaining true Russell is a brilliant and relevant speaker thoroughly recommended. Russell demands that have a major rethink well worth listening to.'

Audience comments from Russell's Techno-Fest Learning Discovery Day in Hartlepool July 2009
